Exhibit A
Legal Description
Petition for Abbreviated Franchise Amendment
72,500V Maximum (69,000V Nominal)
Coggon Circuit 2710 – Central City Terrace Substation
Linn County, Iowa

3.73 Miles of 72,500V Maximum (69,000V Nominal), Three Phase, Wye Connected electric transmission line. (Upgrade to Part C-4 of Docket E-20994)

This line is part of a multiple county line and the 199 IAC 11.3(6) ultimate south terminus of this segment of line is a point of electrical connection in ITC Midwest LLC's Marion Substation located within the City of Marion, Iowa.

The ultimate north terminus of this segment of line will be a point of electrical connection in Central Iowa Power Cooperative's Coggan Transmission Substation located in the North Half of Section 5, Township 86 North, Range 6 West of the 5th Principal Meridian, Linn County, Iowa.

This line begins at a point of electrical connection with petitioner's electric transmission line in the public right of way of the east margin of Iowa State Highway 13, said point also being a point on the north corporate limits of Central City, Iowa, approximately .02 mile east of and .10 mile south of the intersection of Valley Farm Road and said Iowa State Highway 13, in the Northeast Quarter of the Southeast Quarter of Section 34, Township 86 North, Range 6 West of the 5th Principal Meridian, Linn County, Iowa; thence northerly in and adjacent to the irregularity of the said public right of way of the east margin of said Iowa State Highway 13 along the north/south centerlines of said Section 34, Sections 27, 22, 15 and 10, all in said township and range, and crossing the public rights of way of Valley Farm Road, Heatons Valley Road, and Hutchinson Road, to a point in public right of way in the northeast quadrant of the intersection of said Hutchinson Road and said Iowa State Highway 13, in the Southwest Quarter of the Southeast Quarter of said Section 10, a distance of approximately 3.72 miles.

This line will also begin at a point of electrical connection with petitioner's electric transmission line at a point approximately .02 mile east of and .03 mile south of the northwest corner of the Southwest Quarter of the Southeast Quarter of Section 22, Township 86 North, Range 6 West of the 5th Principal Meridian, Linn County, Iowa; thence east crossing the east portion of the east margin of public right of way to a point on private right of way in Linn County Rural Electric Cooperative's Paris distribution substation, a distance of approximately .01 mile.
