IN RE: INTERSTATE POWER AND LIGHT COMPANY	DOCKET NO. RPU-2009-0002

APPLICATION FOR CONFIDENTIAL TREATMENT

COMES NOW, Interstate Power and Light Company (IPL), and for its request for confidential treatment pursuant Iowa Code § 22.7(3) and (6) 2007, states as follows:

DISCUSSION

1. IPL is submitting this Application for confidential treatment, in response to the rebuttal testimonies and referenced exhibits filed with the Iowa Utilities Board (Board) on September 9, 2009, by the Office of Consumer Advocate (OCA).

2. Specifically, this confidential information includes references to: specific investments and strategies by IPL's parent, Alliant Energy Corporation; the contents of resolutions, minutes, and other action documents by Alliant Energy Corporation's Board of Directors; and information relevant to pending litigation of Alliant Energy Corporation in another jurisdiction. These references can be found in the following specific locations:

Information Regarding Alliant Energy Corporation Investment Strategies

- OCA Ex.____(DSH-2), Schedule F

Resolutions, Minutes, and other Documents Related of Alliant Energy Corporation's Board of Directors

- OCA Ex.____FK-2, Schedule A
- OCA Ex.____SJP-2, Schedule D

Information Regarding Outstanding Litigation

- OCA Ex.____SJP-2, Schedule C

3. The foregoing information is not only confidential for its content, but also confidential because it was prepared specifically for or as the direct result of meetings of internal stakeholders. Public release of this information would serve no public purpose. Public release of this information would provide IPL's competitors and/or business peers with insight into its internal structure, processes and data, potentially to IPL's disadvantage. Other companies may use this information in order to undercut IPL's competitiveness in the market.

4. The specific information IPL deemed confidential has been clearly marked as such by the OCA. The material subject to this request has been marked as "Confidential," in conspicuous and numerous locations upon the material.

5. The confidential treatment of the information described in paragraphs 2 through 4 above is required in order to preserve the confidential nature of that material to meet the exemption requirements of Iowa Code § 22.7 (3) and (6).

6. IPL is submitting an Affidavit in support of its Request for Confidentiality from the person responsible for overseeing electric operations for the Company.

7. IPL notes that the OCA has marked additional information confidential that, upon a more thorough examination, IPL has determined contains information sufficiently aged to alleviate any competitive concerns and therefore no longer requires confidential treatment. Therefore, OCA Ex.____(DSH-2), Schedules D and E need not be afforded confidential treatment.

WHEREFORE, Interstate Power and Light Company respectfully requests that the Iowa Utilities Board (Board) grant its Request for Confidentiality, and that the Board hold confidential the portions of IPL's filing so marked.

Dated this 21st day of September, 2009.

Respectfully submitted,

Interstate Power and Light Company
