RE: Interstate Power and Light Company
Docket No. RPU-2009-0002
Letter Correcting Record Citations in Initial Brief

Dear Secretary Cooper:

Enclosed please find Interstate Power and Light Company's (IPL) letter correcting record citations in its Initial Brief, as filed today on EFS.

The purpose of the letter is to alert the Iowa Utilities Board and the parties that IPL has discovered a few inaccuracies with some of the references to the transcript in its Initial Brief which was filed on November 2, 2009.

In particular, on page 24, in the first sentence of the last new paragraph, the correct references should read as follows:

Dr. Habr did not address that portion of Mr. Aller's direct testimony (Tr. 15-22) or Mr. Blankmans' direct testimony (Tr. 574-577) that discuss the 2008 flood and the national recognition that IPL received for its response to that natural disaster.¹⁸ (Tr. 15).

Additionally, on page 25, line 2, the correct reference should be (Tr. 71). On page 37, line 2, the correct reference should be (Tr. 79). Lastly, on page 39, line 2, the correct reference should be (Tr. 450).

Secretary Judi Cooper
