RE: MidAmerican Energy Company  
Docket No. EEP-2012-0002  
Compliance Filing – Revised Schedules 1 and 2

**COMPLIANCE FILING**

Dear Secretary Conrad:

Enclosed for filing, please find MidAmerican Energy Company's ("MidAmerican") compliance filing pursuant to the Iowa Utilities Board's Order issued December 16, 2013, in Docket No. EEP-2012-0002. The enclosed Revised Schedules 1 and 2 contain MidAmerican's updates for budget and savings changes to the original Schedules 1 and 2 filed with MidAmerican witness Rea's Exhibit CBR-1 filed on February 1, 2013, as part of the initial filing in this docket. The revisions reflect the following changes contained in the Partial Settlement Agreement:

- Increases in LED measures included in Attachment 3 of the Partial Settlement Agreement.
- Increases in residential furnace measures and rebates agreed to in the Partial Settlement Agreement.
- Revising the OPower savings targets as outlined in the direct testimony of OCA witness Foster.

MidAmerican is also working on revisions to its original Energy Efficiency Plan filed on February 1, 2013, in Volume II, to further reflect the changes to the program budgets and saving and to recognize additional changes resulting from the Partial Settlement Agreement. MidAmerican anticipates filing its revised Energy Efficiency Plan on or about February 24, 2014. Please contact me if there are any questions with this filing.

Very truly yours,
