RE: MidAmerican Energy Company
Docket No. EEP-2012-0002
Compliance Filing – Revised Energy Efficiency Plan

COMPLIANCE FILING

Dear Secretary Conrad:

On January 31, 2014, MidAmerican Energy Company (“MidAmerican”) filed its compliance filing pursuant to the Iowa Utilities Board’s Order issued December 16, 2013, in Docket No. EEP-2012-0002. The filing included Revised Schedules 1 and 2, which updated MidAmerican’s budget and savings from the original Schedules 1 and 2 filed with MidAmerican witness Rea’s Exhibit CBR-1 filed on February 1, 2013, as part of the initial filing in this docket.

In this filing, MidAmerican revised its original Energy Efficiency Plan (“Plan”) filed on February 1, 2013, in Volume II, to further reflect the changes to the program budgets and saving and to recognize additional changes resulting from the Partial Settlement Agreement. MidAmerican’s Revised Plan includes underlined or red-line text to indicate new text to the Plan and has reflected the changes to the budget and savings in red-line font.

Please contact me if there are any questions with this filing.

Very truly yours,

/s/ Jennifer S. Moore
