RE: Docket Nos. TF-2013-0477 (RPU-2010-0001)

On December 9, 2013, IPL filed an errata tariff filing, identified as TF-2013-0477, to implement the 2014 TBR tariff rate effective with the January 2013 billing cycle to continue the return of these income tax benefits to electric customers in Iowa through a bill credit. On Tariff Sheet No. 88, there was a typographical error in the first paragraph of the tariff sheet. This errata filing is to provide the correction.
