Dear Ms. Conrad

Filed herewith is a Revised Proof of Revenue Calculation which should be substituted for the Proof of Revenue Calculation previously filed with the Board on April 9, 2014 in compliance with its April 7, 2014 "Order Rejecting Compliance Tariffs and Requiring Filings". It was brought to the Company's attention by the Office of Consumer Advocate that there was an error in the Proof of Revenue Calculation as it related to a 6 ½" meter which does not, in fact, exist. Accordingly, the Revised Proof of Revenue Calculation eliminates reference to a 6 ½" meter under the Private Fire Service. Should you have any questions, please contact Jeanne M. Tinsley at Jeanne.Tinsley@amwater.com or 314-996-2390.

Sincerely,

/s/ Kenneth C. Jones
