**Re: Black Hills/Iowa Gas Utility Company, LLC d/b/a Black Hills Energy
Docket No. EEP-2013-0001
Revised 2014-2018 Energy Efficiency Plan – Table Corrections**

Dear Secretary Conrad:

Black Hills/Iowa Gas Utility Company, LLC d/b/a Black Hills Energy (“BHE”) hereby submits a revised 2014-2018 Natural Gas Energy-Efficiency Plan, in both redline and clean form, to correct non-legible tables and make corrections to Table ES-10 and Table 6, so that the two (2) tables are identical to the approved Residential Prescriptive Budget.

By way of background, in the process of staff’s review of Black Hill’s compliance filing, filed on January 30, 2014, IUB staff noticed the following tables in the Updated Energy Efficiency Plan were formatted so the last columns were not visible.

- Table 20. R.2 Residential Prescriptive Program 2014-2018 Budget
- Table 29. Nonresidential Sector Energy Savings
- Table 39. NR.2 Nonresidential Prescriptive Program Energy Goals

BHE has corrected the three (3) truncated tables to be fully displayed. Descriptive language was also added above each table referenced above.

Also, during the IUB review staff noticed that Table ES-10 and Table 6 did not match the approved budget. These tables were corrected to reflect the approved budget totals.
