Description(s) may be submitted as an attachment if more space is needed.

Form must be filed electronically

Provide documentation of sufficient managerial, technical, and financial capability to provide the proposed cable or video service. Such documentation may be provided in the form of a narrative statement and may include resumes, balance sheets and income statements, and other documentation sufficient to demonstrate the applicant's capability to provide the proposed service. In lieu of such documentation, Applicant or its subsidiary which has a Board-issued certificate of public convenience and necessity to provide telephone service pursuant to Iowa Code § 476.29 may attach a copy of its certificate. (See 199 IAC 44.3(3)"g")

If available, attach copies of advertisements or news releases announcing Applicant's intent to provide cable or video service in the proposed service area. (See 199 IAC 44.3(3)"h")

In the narrative statement described above or by attachment, provide a schedule of dates by which Applicant intends to commence operation in each municipality to be served in the proposed service area. (See 199 IAC 44.3(3)"i")

Pursuant to 199 IAC 44.4(1), Applicant must send notice of intent to provide service to affected municipalities and the incumbent cable provider. If Applicant has not already filed with the Board a copy of the notice of intent to provide service, attach a copy of the notice sent to affected municipalities and incumbent cable provider.

Note: Pursuant to 199 IAC 44.4(2), Applicant must also notify affected municipalities that it has applied for a certificate of franchise authority from the Board.

Affidavit

I, T. Mitchell Bland, of lawful age and being first duly sworn, now state:
[type name of Applicant's officer or general partner]

As an officer or general partner of the Applicant, I affirm that all statements made above are true and correct to the best of my knowledge and belief. I further affirm that:

- Applicant has filed or will timely file with the Federal Communications Commission (FCC) all forms required by the FCC in advance of offering cable or video service in Iowa.
- Applicant agrees to comply with all applicable federal and state statutes, regulations and rules, and with all applicable state laws and nondiscriminatory municipal ordinances and regulations regarding the use and occupation of a public right-of-way in the delivery of the cable or video service, to the extent consistent with Iowa Code Chapter 477A, including the police powers of the municipalities in which the service is delivered.
