NOTICE

If you are not satisfied with this agreement, do not sign.

The rules of the Iowa State Utility Board require utility companies to postpone disconnection for 30 days from the original disconnect date (shown on your disconnect notice) so that a reasonable payment plan can be worked out. Each payment agreement must be tailored to the needs of the individual Customer and must take into account your current household income, your ability to pay, your payment history, the size of the bill, and the length of time and reasons why the bill has been outstanding, and any special circumstances creating extreme hardships with the household.

If you are not satisfied with the terms of this agreement, you may call the Utility Board and obtain assistance in working out reasonable terms (Phone (515) 281-5979). You must, however, request assistance from the Utility Board at least two days before expiration of the 30-day postponement period to avoid disconnection.
