RE: Docket No. TF-2014-0038
Qwest Corporation d/b/a CenturyLink QC Tariff Revisions

Dear Ms. Conrad:

Enclosed for filing are revisions to the Qwest Corporation d/b/a CenturyLink QC ("CenturyLink") Exchange and Network Services Iowa Tariff No. 1. These revisions are submitted with a proposed effective date of September 5, 2014.

The enclosed revisions include:

CenturyLink filed a proposal with the Board on April 4, 2014 to consolidate the Des Moines rate center. The enclosed revisions are the result of the proposed consolidation approved by the Board in Docket No. TF-2014-0038. The following wire centers are consolidating into the Des Moines rate center on September 5, 2014: Altoona, Ankeny, Carlisle, Grimes, Norwalk and Waukee. This consolidation will expand the local calling area of these exchanges to match Des Moines' local calling area. Also, CenturyLink reached agreement with Minburn Telephone Company to add Minburn to Des Moines' local calling area. Customers will be notified of the changes to their local calling area in August. CenturyLink is also revising or removing obsolete language from the tariff pertaining to competitive exchanges.

If you have questions or need additional information regarding this filing, you may call me or you may call Wayne Johnson at 515-286-2462.

Sincerely,

/s/ Debra Levy
