**MOTION TO KEEP EXHIBITS CONFIDENTIAL**

Now comes Skybeam, LLC (“Skybeam”) and respectfully requests relief to protect from disclosure highly confidential and proprietary information included in its Application for Designation as a Eligible Telecommunications Carrier. In support of the instant Petition, Skybeam states as follows:

1. Skybeam's Application includes confidential business plan information in Attachments D and E. Attachment D contains the U.S. census blocks that Skybeam plans to provide service. Attachment E is a map showing that service area. Skybeam considers this information to be highly confidential and proprietary information, the disclosure of which to competitors, or potential competitors, would be detrimental to Skybeam.
2. The telecommunications industry is highly competitive, and it is imperative that public disclosure of confidential information contained in the Application be kept confidential because of the competitive harm which disclosure of such information likely would cause Skybeam because the information at issue would provide competitors market sensitive information and direct insight in to Skybeam's plans

WHEREFORE, Skybeam, LLC respectfully requests that the Commission enter an Order, without hearing, protecting from disclosure Exhibits D and E of its Application and such other relief as this Commission deems to be just and equitable.

Dated: December 19, 2014

Respectfully submitted,
