RE: Mid American Energy Company
Docket No. RPU-2012-0001
Confidential Contract Update

Dear Secretary Conrad:

On June 1, 2012, MidAmerican Energy Company (MidAmerican) filed its railroad, coal railcar leases, and services contracts associated with the rail transportation pursuant to the Iowa Utilities Board ("Board") Order Requiring Filing of Contracts issued May 22, 2012. In its Order, the Board noted that its request was a continuing filing requirement that applies to all coal and freight contracts that are executed or expire prior to the hearing in this docket, and that all such contracts shall be filed within seven days of the execution or expiration of the contract.

Enclosed for filing please find MidAmerican's updated Attachment A along with Confidential Attachment 34. The Confidential Attachment 34 was recently executed, and is associated with Attachments 25, which was filed on June 1, 2012.

MidAmerican Energy Company is also filing an Application for Confidential Treatment along with the filing of the contracts requested by the Board. Pursuant to the Board's Order, MidAmerican Energy Company will continue file all other contracts that are executed or expire prior to the hearing in this docket within seven days of the execution or expiration of the contracts.

Very truly yours,

/s/ Steven R. Weiss
