IN RE: INTERSTATE POWER AND LIGHT COMPANY	DOCKET NO. EPB-2014-0150
-----------------------------------------------------	--------------------------

**ORDER GRANTING REQUEST FOR CONFIDENTIALITY
FILED MAY 29, 2015**

(Issued June 3, 2015)

On May 29, 2015, Interstate Power and Light Company (IPL) filed with the Utilities Board (Board) a request for confidentiality of page 2 and Attachment A to IPL's update of its March 31, 2015, emission plan and budget report, filed on May 29, 2015. The information for which confidentiality is sought includes market-sensitive information with respect to IPL's generation budget information relating to specific emissions control technologies and processes. IPL supported the request for confidentiality with an affidavit by a corporate officer. The material for which confidentiality was requested was filed separately and marked confidential. IPL cited Iowa Code §§ 22.7(3) and 22.7(6) (2015) as authority for confidential treatment of the data.

IPL claims the information is a report to a governmental agency that, if released, would give advantage to competitors and serve no public purpose and, therefore, should be held confidential pursuant to § 22.7(6). IPL states that release of the information could increase the cost of procuring emissions control equipment, technologies, and processes by impacting the bid or procurement process and also

harm its position in the competitive generation market, to the detriment of IPL's customers.

The information in question qualifies as a report to a government agency. Based on the affidavit supplied by IPL, release of such information would serve no public purpose. Therefore, the Board will hold the information confidential pursuant to Iowa Code § 22.7(6).

The filed information may also be confidential as a trade secret pursuant to Iowa Code §§ 22.7(3) and 550.2(4). However, because the Board finds the information should be held confidential under Iowa Code § 22.7(6), the Board does not reach the question of whether the information is a trade secret or a communication not required by law.

IT IS THEREFORE ORDERED:

1. The request for confidentiality filed by Interstate Power and Light Company on May 29, 2015, is granted.
2. The filed information shall be held confidential by the Board subject to the provisions of 199 IAC 1.9(8)(b)(3).
