MOTION FOR MODIFICATION OF ORDER

COMES NOW, MidAmerican Energy Company (“MidAmerican”) and for its Motion for Modification of Order (“Motion”) states the following:

1. On January 20, 2015, the Iowa Utilities Board (“Board”) issued its *Order Approving Settlement with Modifications*, in Docket No. RPU-2014-0002, requiring that MidAmerican semi-annually file status updates with the Board concerning the Company’s Wind IX Iowa Project (“Wind IX” or “Project”). The Board prescribed June 1 and December 1 as the due dates for the said status updates.
2. Contemporaneous with this Motion, MidAmerican has filed the first such status update concerning Wind IX.
3. MidAmerican files very similar semi-annual status updates for its Wind VII and Wind VIII projects, but these status updates are filed on March 1 and September 1. MidAmerican has also been filing status updates for Wind IV – VI, using the same schedule—March 1 and September 1.
4. MidAmerican respectfully requests that the Board approve a uniform set of due dates for all required status updates, and would propose that the dates be March 1 and September 1.

WHEREFORE, MidAmerican respectfully requests a modification of the Order's status update due dates as proposed in the foregoing.

Dated this 29th day of May, 2015.

Respectfully Submitted,

MIDAMERICAN ENERGY COMPANY
