IN RE: MIDAMERICAN ENERGY COMPANY	DOCKET NO. RPU-2014-0002
--	--------------------------

ORDER GRANTING MODIFICATION

(Issued June 25, 2015)

On January 20, 2015, the Utilities Board (Board) issued its “Order Approving Settlement Agreement with Modifications,” in Docket No. RPU-2014-0002, a proceeding in which MidAmerican Energy Company (MidAmerican) requested advance ratemaking principles for a wind project known as Wind IX. Among other things, the order required MidAmerican to file status updates for Wind IX on June 1 and December 1 of each year.

MidAmerican filed its first report on June 1, 2015. Also on that date, MidAmerican filed a motion to change the reporting dates to March 1 and September 1 of each year. MidAmerican said that these dates are when semi-annual reports for other MidAmerican wind projects known as Wind IV through VI, Wind VII, and Wind VIII are due. No objections to the motion were filed.

The Board will grant the motion. The next Wind IX semi-annual report will be due on or before September 1, 2015.

IT IS THEREFORE ORDERED:

The "Motion for Modification of Order" filed by MidAmerican Energy Company on June 1, 2015, is granted. Semi-annual status reports for Wind IX shall be filed on March 1 and September 1 of each year, with the next report due on or before September 1, 2015.
