

STATE OF IOWA
DEPARTMENT OF COMMERCE
UTILITIES BOARD

IN RE: SKYBEAM, LLC	DOCKET NO. ETA-2014-0005
----------------------------	--------------------------

ORDER AMENDING DESIGNATION

(Issued June 18, 2015)

On March 9, 2015, the Iowa Utilities Board (Board) issued an order in Docket No. ETA-2014-0005 pursuant to 47 U.S.C. § 214(e)(2) designating Skybeam, LLC (Skybeam), as a telecommunications carrier eligible under the provisions of 47 C.F.R. § 54.201(d) to receive federal universal service support. In its application for designation, as amended, Skybeam listed over 900 census blocks that would comprise the area in Iowa in which Skybeam will serve as an eligible telecommunications carrier (ETC).

On May 15, 2015, Skybeam filed an amendment to the list of census blocks. Skybeam explains that one census block was inadvertently left off of the list included with its application for designation as an ETC. Skybeam asks that the one additional census block be added to the list of census blocks approved as Skybeam's ETC service area. Skybeam states that it intends to serve as an ETC in the expanded service area.

The Board's rule at 199 IAC 39.3(3)(d) contemplates amendments to ETC designations where an ETC notifies the Board of its intent to serve as an ETC in an

expanded service area. The Board will amend Skybeam's ETC designation by adding the new census block identified by Skybeam to the description of Skybeam's ETC service area. The additional census block is identified in the document attached to this order as Attachment A.

IT IS THEREFORE ORDERED:

1. The Iowa Utilities Board's designation in Docket No. ETA-2014-0005 on March 9, 2015, of Skybeam, LLC, as a telecommunications carrier eligible to receive federal universal service support is amended to add the census block identified in Attachment A to the description of Skybeam's ETC service area.

2. The Executive Secretary of the Utilities Board shall mail copies of this order to Skybeam, LLC, the Universal Service Administration Company, the Federal Communications Commission Universal Service Branch, and the Federal Communications Commission Office of the Secretary.
