RE: Qwest Communications, Inc d/b/a CenturyLink QC
Docket No. SPU-2010-0006
Informational Filing – Change Management Process

Dear Executive Secretary:

As previously notified CenturyLink has consolidated its Access Service ordering and billing systems to Electronic Administration & Service Order Exchange (EASE) and the associated billing to Communications Data Group (CDG) Carrier Access Billing System (CABS). The consolidation is to be completed by May 30, 2016.

The plan as filed in April has since been updated. The updates were minor and were filed with the CMP on June 19, 2015.

In compliance with CenturyLink's commitments made in Section 2a of its Amended Joint Motion for Approval of Settlement Agreement and CLEC Intervenors' Motion to Withdraw as filed in Docket SPU-2010-0006, CenturyLink is notifying the Iowa Utilities Board ("Board") and providing a copy of the modified OSS Integration Plan.

Very truly yours,

/s/ Wayne M. Johnson
