**Re: Arti, LLC v. MidAmerican Energy Company  
Docket No. FCU-2014-0016**

Dear Executive Secretary:

Arti submits for filing on a post-hearing basis the following two cross exhibits:

- (1) Arti Cross Exhibit 1, which consists of MidAmerican Energy's response to Arti discovery request no. 27. At the recent evidentiary hearing, Arti was directed to file this discovery response. *Hearing transcript, pp. 122-123.* The version of this discovery response included in this filing is a complete version that includes all supporting spreadsheet workpapers. Those supporting spreadsheet workpapers were inadvertently omitted from the abbreviated version of the discovery response distributed at the hearing. It is Arti's understanding that MidAmerican does not object to Arti's filing of the complete version of the discovery response.
- (2) Arti Cross Exhibit 2, which consists of MidAmerican Energy's response to Arti discovery request no. 7. At the recent evidentiary hearing, Arti agreed to file this discovery response for the purpose of resolving MidAmerican Energy's objection to the admission of Exhibit SMA-13. *Hearing transcript, pp. 64-65.*

Arti has filed two versions (a confidential version and a public version) of its two cross exhibits. A request for confidential treatment of the confidential versions, along with a supporting affidavit, has also been included in this filing.

Very truly yours,

*/s/ Philip E. Stoffregen*
