The Board certifies for the carrier listed all federal high-cost support provided to such carriers within Iowa was used in the preceding calendar year (2014) and will be used in the coming calendar year (2016) only for the provision, maintenance, and upgrading of facilities and services for which the support is intended.<sup>1</sup> The Board bases this certification on the individual carrier sworn affidavits filed with the Board.

Attached is the carrier certified by the Board pursuant to section 54.314 of the FCC's rules (47 C.F.R. § 54.314), which requires states to establish an annual certification process for carriers receiving federal high cost support.

High-cost support shall only be provided to the extent that the State has filed the requisite certification pursuant to this section.”).
