Filing Statement

To: Iowa Utilities Board

Pursuant to 2008 legislature, Code of Iowa Chapter 476.6, subsection 16, paragraph “c” Lineville City Natural Gas System has developed a comprehensive efficiency plan. The plan follows the rules set forth in Iowa Administrative Code 199-36 (476).

The Lineville City Council at their meeting December 14, 2015 authorized Brandy Shriver, City Clerk to file the plan on behalf of the Lineville Natural Gas System and act as an authorized agent of the Lineville Natural Gas System in the filing of the plan.
