IOWA UTILITIES BOARD

Please attach the following objection to Kent Keninger's 1st objection: docket # 22129 franklin county

c. The notice shall be served not less than thirty days prior to the time set for the meeting by certified mail with return receipt requested and shall be published once in a newspaper of general circulation in the county at least one week and not more than three weeks before the time of the meeting and such publication shall be considered notice to landowners whose residence is not known.

I was NEVER sent a certified letter by RICL that my land was directly affected by this line and an informational meeting would be held in Hampton. I request that you follow Iowa Law and forbid them from taking my land without following the law. My tax payroll is in my name and so my address was easily obtainable from the courthouse.
