ERRATA FILING**

**RE: Docket Nos. TF-2013-0477 (RPU-2010-0001)**

On November 21, 2013, IPL filed a tariff filing, identified as TF-2013-0477, to implement the 2014 TBR tariff rate effective with the January 2013 billing cycle to continue the return of these income tax benefits to electric customers in Iowa through a bill credit. On Tariff Sheet No. 88, at the bottom of the sheet, variable A<sub>i</sub> was defined as “The total estimated tax benefit projected refunded in the upcoming year.” This variable should have been defined as “The total estimated tax benefit projected refund in the upcoming year.” The word “refund” should not have been in the past tense. This errata filing is to provide the grammatical correction.

Tariff Changes:

IPL. – ORIGINAL TARIFF NO. 1

Replace:

Second Revised Sheet No. 88

With:

Substitute Third Revised Sheet No. 88
