<b>IN RE:</b>  <b>INTERSTATE POWER AND LIGHT COMPANY</b>	<b>DOCKET NOS. SPU-2005-0015 (RPU-2014-0001, TF-2014-0033)</b>
--	--

**REQUEST FOR EXTENSION TO FILE ADDITIONAL INFORMATION**

**COMES NOW**, Interstate Power and Light Company (IPL) and submits to the Iowa Utilities Board (Board) its Request for Extension to File Additional Information.

In support of its request, IPL states as follows:

1. On March 25, 2014, IPL, the Consumer Advocate Division of the Department of Justice, the Iowa Consumers Coalition, and the Large Energy Group filed a unanimous settlement agreement and joint motion for approval of the agreement. The proposed settlement resolves the issue of the potential over-recovery of Duane Arnold Energy Center PPA costs raised in Docket No. SPU-2005-0015, provides substantial customer credits, and allows IPL's base rate case moratorium to continue through 2016, subject to certain exceptions described in the settlement agreement.

2. On April 2, 2014, the Board docketed the filing and required IPL to file additional information. IPL filed the required information on April 9, 2014.

3. On May 19, 2014, the Board issued an Order Requiring Additional Information. IPL filed additional information in response to the order on May 29, 2014.

4. On July 28, 2014, the Board issued an Order Requiring Additional Information. In this order the Board stated that "IPL shall provide the information identified in this order as expeditiously as possible, but no later than within 10 days of the date of this order."

5. IPL is in the process of responding to the Board's July 28, 2014, Order Requiring Additional Information. However, the primary witness for IPL on the issues identified in the order is out of the office on a previously scheduled leave for the majority of the ten day response time. Accordingly, pursuant to 199 IAC 7.5 and 199 IAC 26.8(4), IPL requests a one-day extension to respond to the Order Requiring Additional Information. IPL requests that the Board allow IPL to respond on August 8, 2014. The requested one-day extension to file the additional information will not impact a procedural schedule or deadline in these dockets.

**WHEREFORE**, for the reasons stated above, IPL requests that the Board grant its Request for Extension to File Additional Information and allow the additional information requested in the Board's July 28, 2014, order to be filed on August 8, 2014.

Dated this 1<sup>st</sup> day of August, 2014.

Respectfully submitted,

INTERSTATE POWER AND LIGHT COMPANY
