RATE RMS – RESIDENTIAL MASTER METERED SERVICE

**FILED WITH
Executive Secretary**

March 04, 2015

AVAILABLE

IOWA UTILITIES BOARD

Service under this rate is available only to Residential Iowa Customers of the Altoona Towers Master Meter Pilot Project for use in single-family dwelling units and common areas inside of the pilot facilities. This service is not available for resale, standby or supplemental service.

APPLICATION

Service under this rate schedule will be furnished only to single occupancy dwellings and common areas inside of the pilot facilities.

Where a portion of the facilities are used regularly for business or professional purposes, the Master Meter Pilot Project will be terminated, the premises will be classified as non-residential and the appropriate price schedule applied. However, if the service for residential purposes can be metered separately through appropriate wiring, the residential classification and Master Meter Pilot Project rate will be applied to such service.

Service in the classification is not available to any structure or facility not attached to the pilot facilities. Such unattached structures or other facilities on the pilot facilities premises shall be served under a qualifying non-residential rate.

CHARACTER OF SERVICE

Alternating current, 60 Hz, single- or three-phase, at secondary voltages offered by the Company, and as further described in the Company's terms and conditions.
