IN RE:

ENCARTELE, INC.

DOCKET NO. TF-2019-0270

ORDER GRANTING EXTENSION

On May 21, 2020, the Utilities Board (Board) issued an order rejecting a proposed tariff filed by Encartele, Inc. (Encartele), to provide inmate calling service to correctional facilities in Iowa. The May 21, 2020 order required Encartele to file a revised tariff within 30 days of the date of the order. The deadline for the revised tariff and other information required by the Board was June 22, 2020.

On June 22, 2020, Encartele filed a request to extend the filing deadline for an additional 30 days. Encartele states that the amount of information requested in addition to the revised tariff and the requirements caused by the COVID-19 pandemic disrupted business operations and the additional 30 days is required to prepare the revised tariff.

The Board will grant the request to extend the filing deadline an additional 30 days. The Board understands that the pandemic has disrupted business operations for many companies.
