Dear Ms. Conrad:

Enclosed for filing with the Iowa Utilities Board (“Board”), please find MidAmerican Energy Company’s status update for the Wind IX Iowa Project (“Wind IX”). The Board’s January 20, 2015, *Order Approving Settlement with Modifications* (“Order”) requires the submission of semi-annual updates on Wind IX. This status update is the first such filing.

MidAmerican is also filing a Motion for Modification of Order requesting that the Order’s June 1 and December 1 deadlines for the semi-annual status updates be changed to March 1 and September 1 in order to be consistent with the updates MidAmerican has been filing for the Wind IV – Wind VIII projects.

Finally, MidAmerican’s Wind IX status update contains confidential information and MidAmerican is, therefore, filing an Application for Confidential Treatment, and supporting Affidavit, seeking a Board order that the said confidential information be protected under the pertinent Iowa law and Board rules.

Respectfully submitted,

/s/
